

Verification Statement

Carbon Footprint 2025

Koninklijke Haskoning Groep B.V. (CoC 55525474)

Terms of engagement

This Assurance statement has been prepared for Koninklijke Haskoning Groep B.V. in accordance with our contract.

DNV Business Assurance B.V. (DNV) was commissioned by Koninklijke Haskoning Groep B.V. to provide independent assurance on its GHG Emissions Inventory in the “Haskoning ISO14064 Rapportage 2025 - 03022026” dated 3 February 2026. The scope of the Carbon footprint was defined according to ISO 14064-1:2018 as direct CO₂-emissions (scope 1), energy indirect CO₂-emissions (scope 2) and other indirect CO₂-emissions (scope 3).

Management Responsibility

The management of Koninklijke Haskoning Groep B.V. was responsible for preparing the GHG Inventory and for maintaining effective internal controls over the data and information disclosed. DNV's responsibility was to carry out an assurance engagement on the GHG Inventory in accordance with our contract with Koninklijke Haskoning Groep B.V.

Ultimately, the GHG Inventory has been approved by, and remains the responsibility of Koninklijke Haskoning Groep B.V.

Our verification has been conducted in accordance with ISO14064-3:2019 to provide limited assurance that GHG data as presented in the GHG Inventory has been prepared in conformance with ISO14064-1:2018.

Conclusion:

Based on our assessment we have not found that the CO₂-emissions as reported in “Haskoning ISO14064 Rapportage 2025 -03022026” dated 3 February 2026” and reproduced in Annex 1, in accordance with the required materiality, were represented incorrectly or that the GHG Inventory has not been prepared in conformance with ISO14064-1:2019.
